December 16, 2017

Laura Quick for Congress  
P.O. Box 193  
Campbelltown, PA 17010

Dear Laura Quick and Sister:

The Pennsylvania Conference of Teamsters is pleased to inform you that we have unanimously endorsed your candidacy for Congress in the 2018 PA Primary Election being held on May 15, 2018 while in executive session on December 12, 2017.

As a member of the Teamsters and package car driver for UPS, you truly understand the struggles the middle class is facing in today's society. You have witnessed first hand the slow destruction of the middle class and you know what it will take to turn the tide.

Your persistency and courage to stand-up for the middle class, against the outside forces that are constantly attempting to destroy the middle class, makes you the ideal candidate.

You have committed to stand with the working men and women in Pennsylvania, and now the Teamsters will stand with you.

The Pennsylvania Conference of Teamsters represents ninety-five thousand (95,000) working Teamsters in PA, NJ, DE and WV. Additionally, there are tens of thousands of Teamster retirees and family members that support the PA Conference of Teamsters. The Pennsylvania Conference of Teamsters is affiliated with the International Brotherhood of Teamsters, which represents 1.4 million Teamsters.

Sincerely and fraternally yours,

William Hamilton  
President
